Grizzly Mountain Readers

We are extending the deadline to January 22nd to sign up for this activity. We are doing things differently and are excited for what we have to offer! Students will be joining a book based zoom class where they will be committed to a 1 hour zoom every Wednesday from 2-3pm. Students will have the opportunity to discuss the assigned chapters with their classmates and then have a breakout session with their team. We will hold a trivia battle with prizes at the end of each month. Teams will work through a new book every month. January 27th will be our first class so please sign up your student(s) asap so that we can plan accordingly. Please reach out to your HomeLink teacher if you have any questions.

Ski Trip

Planning an outing like this is taking a bit more time than we hoped. COVID has put many limits on what we can and can't do. To make sure we are following the correct protocols, we will push this trip out into February and March.

Attendance

Starting in January, we will have a new procedure in place to make sure attendance is getting done accurately. If we have not heard from you by 3pm, we will mark your child absent and an auto call, text, or email will be sent to you as a reminder to do attendance. We can change it if needed. Remember, in attendance, you can choose "Yes" or "No" if your student is doing school. Not responding will give your child an automated unexcused absence.

Upcoming Events

- January 27th – Grizzly Mountain Readers Class
- January – Rube Goldberg Machine
- Benchmark Testing for Winter (January) and Spring (May)
- February/March – Ski trips
- May – Water Rocket
