## State Testing

### Standardized Testing Opt Out (*this is not Benchmark Assessments*)

We are required by the state to offer in person state testing in May. We support your choice regarding whether or not to participate in state testing. There are no accountability requirements or penalties for not participating in state testing. If you prefer that your student not take part in this year's state summative testing opportunity, there are multiple ways to opt your child out.

We will call families who have not opted out, to schedule testing, starting on Monday, May 3<sup>rd</sup>.

### Opt Out Options

1. Submit a [CCSD Electronic Opt Out](#) form online
  2. Turn in the hard copy *Opt-Out Form* to your child's school that was sent home 3/12
  3. Fill out a digital [Opt-Out Form](#), print, and turn in to your child's school
- If you have already turned in an opt-out form to your child's school, there is no further action needed.
